Hi Bhanu,

My name is Rachel Felver and I am Ann Dunkin's Communications Director. She asked me to respond to you on her behalf as she is on travel this week. Unfortunately, she will be unable to join you today. She is unfortunately unavailable for any interviews until the week of September 7th due to her travel schedule. If time in September works for you to meet with her, we'd be happy to set this up.

Thank you!

Rachel Felver

Dear Ann,

Trust you are doing well.

It is unfortunate we couldn't do your interview at GeoBuiz conference.

I am now planning a live interaction with you in our studios in Herndon, VA on Wednesday, 19th August from 12.30-13.00 hrs. Let me know if it is feasible for you to join on this interaction.

Best regards,

Bhanu

Bhanu,

No, I won't be arriving until shortly before the session. The only option would be after the session. I understand if that won't work for you but my calendar is fully booked and I simply can't come out to Bethesda sooner.

Good Morning Bhanu,

Thanks for the invitation. We'll have to clear this request with our public affairs office and there may not be enough time for that but I've made the request and they may get back to us tomorrow morning. I also won't be in Bethesda very long tomorrow. I'll be arriving shortly before the panel, which is late in the day. If we can clear it and you'd like to do the interview at the end of the day, that might work. Let me know.

Thanks,

Ann
